Who looks after my PEG?

The doctor

The dietitian

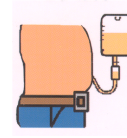

The nurse

The people who care for you

4

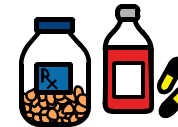

What is a PEG?

A PEG is a tube that goes into your tummy

This is the tube

Medicine can go down the tube

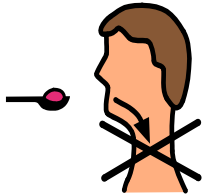

Special food and drink can go down the tube

1

Why do I need a PEG?

Because you have a problem swallowing

or

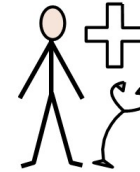

Because you have a poor appetite

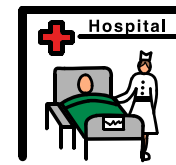

2

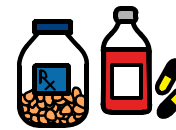

Who will put the PEG in my tummy

The doctor

At the hospital

You will have medicine to make you sleepy

Then the doctor will put the tube in.
