Relationships

An Information
Leaflet

**Loving is part of
being a human being**

**It is VERY IMPORTANT
for everyone's health
and happiness**

**A Relationship needs to be
Safe and Healthy**

Both partners need:

To enjoy their
relationship

To be happy in their
relationship

Are Both Partners:

Able to tell each other
How they feel?

Do Both partners
Respect each other?

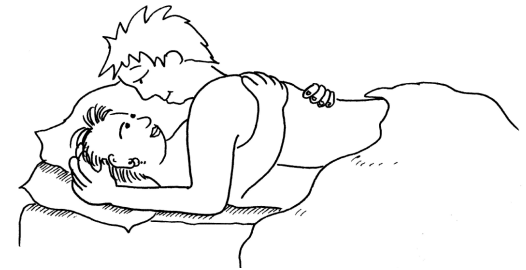

Both partners need to be
able to say if they want
their relationship to go
further

**It is very important
that both parties
consent**

Only say Yes to
Sexual Love if that is
what you want

It is fine to say No if you
don't want to
